AUDITORS QUALIFICATION ON ANNUAL ACCOUNTS OF THE COMPANY

Comments by Statutory Auditor:- Nil

Comments by Secretarial Auditor :- Nil

Reply to the comments of Comptroller and Auditor General of India on Annual Accounts for the year 2018-2019.

1. Employee Benefit Expenses

Immediately on formation of the company, the Government vide order No. G.O.(MS) No. 5/2000/PWD dated 03.02.2000 created the minimum required posts in RBDCK and ordered to fill these posts by way of deputation from other Government departments. Since then the company utilises the services of employees from other Departments/ PSU's on deputation basis paying the remuneration and other dues including pension contribution from the funds of the company.

The pension contribution in respect of employees working on deputation basis from other Government departments are to be deposited in treasury at specified rates after the close of each calendar year. The company is remitting the required pension contribution regularly after the close of every calendar year and account the amount in the books of accounts on the date of payment.

During the year 2018-2019, the company remitted an amount of Rs.4.48 lakhs as pension contribution of employees on deputation as above and charged the amount to Profit and Loss Account.

The Comptroller and Auditor General pointed out in their report that the pension contribution of employees are to be accounted on accrual basis and charged to Profit and Loss Account of the respective financial year. Accepting the advice of Comptroller and Auditor General, we have already started incorporating necessary entries for accrued pension contribution of employees for future financial years while preparing the accounts.

2. Depreciation and Amortization Expenses

RBDCK was formed during the year 1999 with the primary objective of constructing infrastructure projects on behalf of State Government and other Government agencies, to maintain, operate and manage such facilities and to regulate and control use of the facilities vested with the company. The construction, operation and maintenance of projects are governed by Direct Toll Concession Agreement (DTCA) executed by RBDCK with Government of Kerala and Kerala Road Fund Board under KRF Act. This Agreement permits the company to construct and maintain the facility including toll collection for 15 years from the date of Agreement. The toll collection is envisaged to be a support to the Government in construction of infrastructure facilities without fully depending on Government Budget resources. This fact is made clear by the Government vide G.O. (MS) No. 74/2000/PWD dated 10.11.2020.

In the case of 11 ROBs constructed during the period 2004-2006, we could not start user fee collection even after the execution of DTCA and publication of Gazette Notification in this regard due to public protest. Since no user fee collection was started and at the same time the company is liable to maintain these projects for 15 years as per the DTCA, we requested the Government to entrust the maintenance of these projects to the respective PWD divisions. The Government, realising the difficulty of the company to maintain these kind of projects without generating any income ordered to entrust the maintenance of these 11 ROBs to the concerned divisions of State PWD vide order No.G.O.(Rt) No.671/2012/PWD dated 24.04.2012.

The Government while entrusting maintenance of the projects to PWD Divisions, did not cancelled the DTCA, on anticipation that the company can start userfee collection in near future. The above Government Order was only a relief to the company from its obligations under the DTCA,

understanding genuine difficulty of the company to incur further expense on these projects without earning revenue. That means, while giving such a concession to the company, the Government continued to retain the right of the company under DTCA to collect user fee from these projects, at any time during the tenure of DTCA. In such a way the company has the right to start user fee collection at any time till the end of DTCA and hence we used to amortise the cost of these projects uniformly during the DTCA period as done in the case of other projects where user fee collection is going on. The fact that the company did not collect user fee during the past is not an indication of non collection of user fee in the future. The intangible asset namely Railway over bridges are in good condition and public are using the facilities continuously and the fact that the company is empowered to start user fee collection at any point of time makes it clear that we can show the intangible assets in the accounts at their Written Down Value and charge amortization as per consistent policy being followed by the company.

Accounting Standard 28 (AS 28) - impairment of assets para 8 and 9 specifies certain conditions for qualifying an asset for impairment. In our cases the said ROB's will not qualify for impairment as per these conditions as explained above. As per AS 26, the assets not in good working condition or no future economic benefits are expected from its use, the assets are to be derecognized. Since all ROB's are in good working condition and is in use by public and the right to collect user fee under DTCA executed with Government of Kerala and KRFB is in existence the assets are not to be derecognized.

Hence the policy being followed by the company in amortising the intangible assets in uniform manner during the currency of the DTCA is not against the provisions of AS 26 and AS 28.

3. Non Provision for interest receivable on Mobilisation Advance

During the year 2014 the company decided to construct an Office Cum Commercial Complex in the land allotted by the government to the company and entered into Agreement for construction with M/s. RDS Projects, the successful bidder selected through competitive bidding process. As per conditions of the Bid, the contractor submitted the Performance Security of Rs. 2.36 crores in the form of Bank Guarantee and executed Agreement. The contractor also submitted another Bank Guarantee for Rs. 2.36 cores and availed mobilization advance of Rs. 2.36 cores as per the conditions of Agreement. The mobilization advance carried simple interest @ 12% on the outstanding balances. The advance along with interest was to be adjusted at specified rates from each work bills of the contractor.

While progressing the foundation work as per the above Agreement, we were forced to stop the work due to protest from public and political parties and could not continue with the project. On the expectation that we can solve the issue and restart the work soon, the Agreement was not closed and the contractor did not repaid the mobilization advance. As on 31.03.2019, the entire mobilization advance and accrued interest of Rs.1.17 crores were payable by the contractor to RBDCK. At the same time the company was in possession of Bank Guarantee for a total amount of Rs.4.72 crores against the total liability of 3.53 cores including interest on mobilization advance. The company was in the process of closing the Agreement with the Contractor and recovering the mobilization advance and interest due on the above.

On taking a final decision regarding closure of Agreement, the company is able to recover the entire mobilization advance and interest from the Bank Guarantee available. There is no doubt about the recovery of interest on mobilization advance amounting to Rs. 1.17 crores. The Agreement also specifies charging interest @ 12% on outstanding mobilization advance and hence there is no uncertainty in realisation of interest.

In the light of the above facts applicable accounting standards including AS 29 does not demand creation of provision against the secured receivable of interest on mobilization advance amounting to Rs. 1.17 crores from the contractor.

4. Disclosure regarding Bank fixed deposits

The company always transfers the balances in current account not required immediately for the operations of the company to short term deposit with banks for earning some interest revenue to the company. As these bank term deposits are encashable at any point of time without any loss, these deposits are considered as cash as per AS 3.

The Companies Act 2013-General instructions for preparation of balance sheet-Note Q(v), stipulates that bank deposit with more than 12 months maturity shall be disclosed separately. Bank Deposit after 12 months from the date of balance sheet has to disclose separately. None of our Bank Deposit is falling due after 12 months from the date of balance sheet and hence the disclosure is in line with Companies Act. Since all the fixed deposits of the company are maturing within 12 months from the date of Balance sheet, no specific disclosure is required in this regard.

INDEPENDENT AUDITORS' REPORT

To the Members of ROADS & BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

1. We have audited the accompanying **standalone financial statements of ROADS & BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED**, ("the Company"), which comprise the Balance Sheet as at **March 31, 2019**, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and notes to the standalone financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2019 and its loss and its cash flows for the year ended on that date.

Basis for opinion

4. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Material uncertainty related to Going Concern

- a) During the year the Company has earned cash profits, however the company has accumulated loss amounting to Rs. 86.70 Crore (previous year Rs. 75.38 Crore) and has a negative net worth of Rs. 24.28 Crore (previous year Rs. 12.96 Crore). These conditions indicate the existence of uncertainty which may cast doubt as to the Company's ability to continue as a going concern. However, being a Company wholly owned by Government of Kerala, the financial statements of the Company have been prepared on going concern basis.

Our opinion is not qualified in respect of this matter.

Emphasis of Matter

5.

- i. Reference is drawn to note no. 9 (iv), ineligible Goods and Services Tax (GST) input tax credit amounting to Rs. 3.10 Crore which was reflected in company's GST credit ledger was not considered as input tax credit. The mismatch has to be rectified in the subsequent annual GST filing.
- ii. Reference is drawn to note no. 9 (iii), Rs. 2.80 Crore was transferred during the year towards kumaranalloor Road Over Bridge (ROB), stimulus package bridges, to the extent of shortage of funds for land acquisition in the said project from "land acquisition fund received from Government" of Kerala.
- iii. Reference is drawn to note no. 12 (i), the Company had paid mobilization advance to M/S RDS Projects Ltd for construction of office cum commercial complex but could not continue the work due to public protest. The company holds bank guarantee for a total amount of Rs. 4.72 Crore in relation to this project and the agreement has not yet been terminated. Interest accrued on mobilization advance of Rs. 2.36 Crore has been adjusted against capital work-in progress.
- iv. Reference is drawn to Point No. B 2(a) of Notes forming part of accounts regarding balances under the heads Other Long Term Liabilities amounting to Rs. 3.73 Crore (note no. 5), Trade payables amounting to Rs. 5.43 Crore (note no. 8), Other current liabilities amounting to Rs. 135.21 Crore (note no. 9), Trade Receivables amounting to Rs. 6.85 Crore (note no. 15), Short Term Loans and Advances amounting to Rs. 23.87 Crores (note no. 17), Other Current Assets amounting to Rs. 13.76 Crore (note no. 18), which are subject to confirmation.
- v. Reference is drawn to note no. 15, trade receivables which include Rs. 3.33 Crore receivable from Railway which is outstanding for more than 3 years. The Company has not provided any provision for the said amount as the amount is receivable from Railway, further no confirmation could be obtained in this regard.
- vi. Reference is drawn to note no. 18 (i), no adjustments have been made with regard to Tax Deducted at Source and Advance Tax which has been adjusted by the Income Tax authority against demands which are pending in litigation at the various appellate forums.

- vii. Reference is drawn to note no. 9 (v), the company has accounted income received in advance Rs. 1.15 Crore as liability and the corresponding expense have been accounted as asset as the Detailed Project Report (DPR) preparation is in its initial stages.
- viii. Reference is drawn to note no. 11, as per the instructions from Office of the Accountant General for the financial year 2017-18 an amount of Rs. 1.43 Crore being the interest portion capitalised during last year has been transferred to profit and loss account under prior period items during the current year and necessary adjustments were made in amortization.
- ix. Reference is drawn to note no. 19 (ii), the company has accounted as grant Rs. 0.32 Crore which was received by the company to meet the project implementation expenses for the construction of ROB at Thirunetoor using MLA's asset development fund. An amount of Rs. 0.28 Crore received earlier for Seaport-Airport road and carried in the balance sheet was also credited to profit and loss account on completion of the project.
- x. Reference is drawn to note A (vi), Government of Kerala vide GO (Rt) No. 1715/2009/PWD dated 28/11/09 has affirmed that it will fund the viability gap of the projects under Toll Concession Agreement. The cost of construction of ROB's have been accounted as Intangible assets of the company, based on the above GO impairment on account of short fall in future revenue earning capacity has not been amortized.

Our opinion is not qualified in respect of these matters.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

- 6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error
- 7. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- d) Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
- e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
11. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

12. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
13. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The standalone Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with rules 7 of the Companies (Accounts) Rules, 2014;
 - e) Being a Government Company, the provisions of sec 164(2) of the Companies Act, 2013 do not apply as per Notification No. G.S.R.463 (E) dated 05th June, 2015 issued by the Department of Company Affairs.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".

14. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;
- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which are required to be transferred to the investor Education and Protection Fund by the Company.

15. As required by Section 143 (5) of the Act, we have considered the directions issued by the Comptroller and Audit General of India, the action taken thereon and its impact on the accounts and financial statements of the Company in "**Annexure – C**".

16. Being a Government Company, the provisions of section 197 of the Act with respect to the matters to be included in the Auditors' Report is not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF ROADS & BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ROADS & BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED** ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ROADS AND BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED.
NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2019

A SIGNIFICANT ACCOUNTING POLICIES:

(i) Basis of Accounting

The financial statements are prepared under historical cost convention and generally on accrual basis, as a going concern and in accordance with the Generally Accepted Accounting Principles (GAAP). The statements comply with the mandatory Accounting Standards referred to in section 133 and other applicable provisions of the Companies Act, 2013.

Arrears on account of pay revision/DA of employees/ officers are accounted only on approval of revised pay scales by the Government.

(ii) Use of Estimates

The preparation of Financial Statements requires management to make certain estimates and assumptions that affect the amounts reported in the Financial Statements and Notes thereto. Differences between actuals and estimates are recognised in the period in which they materialise.

(iii) Revenue Recognition

a) Toll Income

Company collects user fee through Annual contracts awarded to contractors selected on the basis of competitive bidding process. Toll collection through contract is accounted on due basis. Where for any reason user fee cannot be collected, income in such cases has not been recognised.

b) Project Management Fee/Agency charges

Project Management Fee is generally recognised on Proportionate Completion method based on Progressive billing as per terms of MOU/Agreement. In respect of ROB's not covered by MOU/Agreement, Project Management Service income billed to Railways is accounted on actual receipt only, as in the absence of contractual obligation, there is uncertainty regarding its receipt.

c) Right of way fees.

Amounts received from utility providers for using the right of way of infrastructure facilities under the control of the Company as one time payment are credited to the profit and loss account of the year of receipt in compliance of AS-9.

d) Interest received

Interest on deposits are accounted at the rate agreed at the time of deposit on pro-rata basis.

(iv) Property, Plant and Equipment

Fixed assets are stated at historical cost less accumulated depreciation/amortisation. Cost includes purchase price and other non refundable taxes, levies, costs directly attributable to bring the asset to its present working condition for intended use.

(v) Depreciation and Amortisation :

Depreciation on Fixed Assets has been provided on written down value method. The useful lives adopted are as prescribed in Schedule II of the Companies Act, 2013.

(vi) Impairment:

a) All fixed assets are assessed for any indication of impairment at the end of each financial year. On such indication, the impairment (being the excess of carrying value over the recoverable value of the asset), if any, is charged to the Statement of Profit and Loss.

b) Construction of ROB's under cost sharing with Railways are prioritized and taken up by the government mainly based on public interest. These ROB works are entrusted with the Company and government allows the Company to collect toll under DTCA. As the projects are taken up in public interest, the economic viability of the projects under DTCA may not be positive. Subsequent to completion of projects, collection of toll had to be abandoned in certain ROB's due to public protest. In such instances the viability gap was funded by the government / local authority. In respect of all the projects, government vide GO -(Rt)No.1715/2009/PWD dated 28/11/09 has affirmed that it will fund the viability gap. On this basis management is of opinion that the intangible assets of the Company represented by the cost of construction of ROB's does not suffer from impairment on account of short fall in future revenue earning capacity as compared to the amount to be amortised. As there is no tool to estimate future revenues from toll collection, deficiency if any on this account cannot be ascertained reasonably.

(vii) Intangible assets and Amortization:

The Company has executed Direct Toll Concession Agreement (DTCA) with Kerala Road Fund Board and Public Works Department, Government of Kerala, in respect of thirty seven ROB's, a river bridge and a road project. As per the DTCA, the Company has acquired right to collect user fee (toll) for a period of 15 years from the date of its execution/completion of construction. In view of the above, cost of assets for which DTCA was executed has been treated as Intangible Assets as per Accounting Standard 26 on 'Intangible Assets' issued by the Institute of Chartered Accountants of India (ICAI). In respect of agreements executed prior to 2009, the DTCA is effective from the date of execution and not from the date of completion of work. The request of the Company to amend the agreement is under consideration of the Government. Pending approval from the Government, the Company has amortised all the intangible assets from the date of completion of work. Cost of land and other direct expenses attributable to each project has been capitalised under respective intangible asset under development. 50% of applicable indirect expenses being staff cost and related expenses are capitalised to intangible assets in the proportion of net direct cost. All Projects commenced till the last disbursement of loans are considered as applicable project for the purpose of capitalisation of borrowing cost. Share of cost receivable from railways, assistance received from Govt if any and interest and Miscellaneous receipts are deducted in arriving at Net Direct Cost. Assistance from government to a group of Intangible assets under development are apportioned on the basis of year end direct cost of such assets. In terms of Accounting Standard 26, the cost of intangible assets has been amortized over a period of 15 years from the date of DTCA or date of actual completion of the asset whichever is later, being the tenure of concession as per the DTCA.

(viii)
)

Taxes on income

Current tax is determined based on the amount of tax payable in respect of taxable income, if any, for the year. Deferred tax is recognized on timing differences; being the difference between the taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years. Deferred tax assets and liabilities have been computed on the timing differences applying the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date. Net Deferred tax asset arising on account of unabsorbed depreciation or carry forward of tax losses after adjusting deferred tax liabilities, if any, are not recognized since there is no virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized. Company have a policy to provide income tax liability, decided against the Company in respect of amounts disputed in appeal by the ITAT unless the matter is fully covered on law and facts by Subsequent Apex Court/Jurisdictional High Court decision.

(ix)

Government Grant/contribution for construction of roads and Road Overbridges

Grant in Aid for construction of roads and road over bridges from Government of Kerala and other institutions are accounted on receipt of such assistance, or when it becomes certain that the amount will be received. Capital grant received towards ongoing projects are reduced from Intangible assets under development.

(x)

Retirement Benefits

Provision is made as at the end of each financial year on the basis of actuarial valuation to cover the liability in respect of employees towards

- a) Gratuity on death / retirement ; and
- b) Accumulated leave

B ADDITIONAL DISCLOSURES

b) **Company as lessee:**

(i) Operating lease are mainly in the nature of lease of office premises- (of HO, Trivandrum and Kannur regional offices) with no restrictions and are renewable / cancellable at the option of either of the parties. There is no escalation clause in the lease agreement . There are no sub-leases. There are no restrictions imposed by lease arrangements. The aggregate amount of operating lease payments recognised in the Statement of Profit and Loss is Rs.16,78,104/-..The Company has not recognised any contingent rent as expense in the Statement of Profit and Loss.

(viii) The Government vide GO (Rt) No.1347/2012/PWD dated 28/7/2012 sanctioned lease of 0.4226 hectares of land in Block No.9,Resurvey No.344/1 of Kakkanad village of Kanayannur Taluk in Ernakulam District to the Company for construction of office complex for a period of 30 years at an yearly rent of Rs.2,00,000/-

(ix) The Company could not start toll collection from 11 ROB's completed during the period 2003-2006 due to public protest. Since no income is being derived from these projects the Company found it difficult to maintain these bridges and the Board of Directors of the Company in their meeting held on 23/9/2010 decided to handover the responsibility for maintenance of these ROB's to Government. Based on the request of the Company, the Government vide GO(Rt)No.671/2012/PWD dated 24/4/2012 ordered to handover the maintenance of these bridges to the concerned divisions of State PWD.

(x) The Company has expended Rs.430.12 Crore for developing the intangible assets of the Company and received Rs.80.81Crore from Government/Government agencies and Rs.106.99 Crore from Railways, which were deducted from the cost of the respective assets to arrive at the net cost.

(xi) The additional claims amounting to Rs.4.59 Crore sanctioned in arbitration to M/s K S & Company, contractors for construction of Muzhuppilangad ROB, and confirmed by the H'ble Supreme court of India in appeal during the previous year was treated as addition to the cost of ROB and amortised proportionately during the balance period of DTCA. The AG,while issuing the report of their supplementary audit, directed to charge the interest portion included in the above amount to profit and loss account as per accounting standard - 26 . Accordingly an amount of Rs.142.81 lakhs being the interest portion capitalised during last year has been transferred to profit and loss account under exceptional items during the current year and necessary adjustments were made in amortisation also.

(xii) Construction of ROB at Kunjippally was completed during the year, but as no DTCA was executed for this project, the amount expended so far is retained as intangible assets under development, pending capitalisation.

- (xiv) Capital work in progress is shown at net of expense incurred and interest on mobilisation advance received for the purpose
- (xv) Earnings per share

The Company reports basic and Diluted Earnings per Share in accordance with AS 20. Basic Earnings per equity share have been computed by dividing net profit after tax by the weighted average number of equity shares outstanding at the end of the year. Diluted Earnings per share have been computed using the weighted average number of equity shares and potential equity shares outstanding at the end of the year. The effect of antidilutive potential shares are ignored in calculating Diluted Earnings Per Share.

- (i) **TERMS OF REPAYMENT OF LOANS**
- | | Loan From | Terms of Repayment |
|----|---|--|
| a) | Kerala Road Fund Board- Loan of Rs.3.75 Crore received on 09.08.2007 unpaid. | Repayment in four equal annual instalments starting from the second anniversary of the date of drawal along with interest @ 9.5% per annum on the principal payable on each anniversary and in case of default in payment of instalment and/or interest, interest at enhanced rate of 11.5% on such overdue payments |
| b) | Kerala Road Fund Board - Loan of Rs.3.30 Crore received on 09.08.2007 unpaid. | Repayment in lumpsum within two years from the first anniversary of the date of drawal along with Interest @ 9.5% per annum on the principal payable on each anniversary and in case of default in payment of instalment and/or interest, interest at enhanced rate of 11.5% on such overdue payments |
| c) | Kerala Road Fund Board - Loan of Rs.8.1444 Crore received on 01.01.2008 unpaid. | For the first one year after disbursement of loan no repayment of principal or interest. In second and third years interest calculated @ 6% will be paid in 24 monthly instalments. During the fourth and fifth year of repayment principal amount and balance of interest will be payable in 24 instalments. |
| d) | Kerala Road Fund Board - Loan of Rs.38.5 Crore received on 09.09.2008 unpaid | For the first one year after disbursement of loan no repayment of principal or interest. In second and third years interest calculated @ 6% will be paid in 24 monthly instalments. During the fourth and fifth year of repayment principal amount and balance of interest will be payable in 24 instalments. |
- (ii) An amount of Rs.53.69 Crore towards Principal and Rs.41.26 Crore towards interest on KRFB Loan is outstanding as on 31.03.2019
- (iii) Out of the unutilised amount of Rs.8.64 Crore, received from Government of Kerala during earlier years for the purpose of land acquisition, carried in the balance sheet as "land acquisition fund received from Government", an amount of Rs. 2.80 Crores was transferred during the year towards land cost for kumaranalloor ROB (stimulus package bridges) to the extent of shortfall in funds for land acquisition for the said project.
- (iv) The Company is the project management agency for the implementation of Thirunettloor Road over bridge, Kundannur Flyover, Kanjangad ROB and Seaport-Airport road, the respective bills were invoiced in the name of the Company and GST input tax credit amounting to Rs. 3.10 Crore was reflected in the Companies GST credit ledger erroneously, since the Company is only a project management agency for implementation of the above said projects and eligibility criteria for availing input tax credit under GST law has not been met, the said amount has not been considered as an eligible input tax credit in the books of accounts. There is a mismatch between the GST input tax credit ledger and GST input credit recognised in the books to the above mentioned extent. The GST credit ledger needs to be corrected to the above extent in the subsequent annual GST filing.
- (v) The Company has received Rs.1.15 Crore from Government for DPR preparation for 41 ROB's as first installment out of the sanctioned amount of Rs.2.87 Crore (Rs. 7.00 lakhs per project), further the Company has spent Rs. 49.11 lakhs for DPR preparation. However the expense and the corresponding income has not been recognized by the Company as the DPR preparation is in the initial stages.
- (vi) There are no amounts due and outstanding, to be credited to Investor Education & Protection Fund as at 31st March 2019
- (vii) The Company was appointed as special purpose vehicle for implementation of certain infrastructure projects in the state under Kerala Infrastructure Investment Fund Board. M/S KIIFB has sanctioned Rs.9.98 Crore as advance for meeting preconstruction activities with the condition that the amount will be adjusted against centage charges due on execution of the project. The unallocated portion of this amount and payments made for pre-construction activities are included in the Balance Sheet for future allocation to respective projects on starting of construction.

Share of cost on Road Overbridges receivable from Railways

- (i) Construction of Road overbridges at 19 locations are covered by MOU between Government of Kerala and Railways, construction of all of which are completed and hence 100% share of cost of Railways has been recognised as receivable (Rs.444.75 lacs (PY-Rs.444.75 lakhs)). In respect of 20 ROB's which are not covered by MOU , 50% of the difference between estimated cost or actual cost whichever is lower of approach portion and estimated cost of Railway portion as per approved norms of Railways has been recognised as receivable (Rs.244.23 Lacs (PY-Rs.244.23Lacs)).
- (ii) The ROB at Angadipuram was initially sanctioned on cost sharing basis, but subsequently the Railways informed vide letter no.W193/I/CN/ERS/ROB-AMM dated.4/4/14 that instead of 50% cost sharing, the Railways will bear only the cost of construction of Railway portion of the ROB and the cost of construction of approaches has to be borne by the state Government as the ROB is in National Highway. Hence no railway share has been booked for this ROB.

TDS of Rs. 3,42,97,606/- represents the cumulative figure of tax deducted and deposited by various parties during the previous years. Advance Tax of Rs.76,03,660 represents tax paid by the Company during previous years. The income tax department adjusted this amount against pending demands, which has been disputed by the Company and pending in various appellate forums, without providing details of individual adjustments. Since the pending demands are under dispute, no adjustments are made in the accounts.

Feasibility study expenses include Rs.10,47,850/- spent for initial project study and DPR preparation for an office complex at Attipra, Thiruvananthapuram for the Government. Later on as per decision in the 52nd meeting of the Board of Directors, the Company has withdrawn from the project and claimed reimbursement of the amount expended, from Government. Pending decision from Government, no provision has been made in the accounts.

As per MOU dated 2/3/2016 with cochin Corporation, RBDCK stoped userfee collection from ROB at Ponnurunni and in turn the corporation agreed to pay an amount of Rs 12.74 Crore in four equal yearly installments along with 9.5% interest. Based on the request of the corporation, the Government vide letter No.PWD-D2/144/2017-PWD dated 2/12/2019, waived the payment of interest by the corporation and hence no interest has been accounted.

UNDER SECTION 143(6) (b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL
STATEMENTS OF ROADS AND BRIDGES DEVELOPMENT CORPORATION OF
KERALA LIMITED, ERNAKULAM FOR THE YEAR ENDED 31 MARCH 2019**

The preparation of financial statements of **Roads and Bridges Development Corporation of Kerala Limited, Ernakulam** for the year ended **31 March 2019** in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The statutory auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated **23 June 2020**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of **Roads and Bridges Development Corporation of Kerala Limited, Ernakulam** for the year ended **31 March 2019** under Section 143(6) (a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6) (b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

A. COMMENTS ON PROFITABILITY

Statement of profit and loss for the year ended 31 March 2019

4. Expenses

(a) Employee benefit expenses- ₹2.88 crore

1. This does not include contribution of pension payable in respect of deputation staff for an amount of ₹ 12.85 lakh. This resulted in understatement of Employee benefit expenses by ₹ 12.85 lakh leading to understatement of Loss with corresponding understatement in Current Liabilities by the same amount.

(c) Depreciation and amortization exp. ₹ 16.31 crore

2. This does not include remaining book value of ₹ 3.95 crore in respect of nine RoBs (As on 31 March 2019) constructed by the Company during the period 2003-06. The construction cost was recognized by the Company as intangible assets on the basis of the right to collect user fee for 15 years. The Company could not start toll collection till date (September 2020) from the nine RoBs due to public protest. The Government subsequently entrusted (April 2012) the maintenance of the nine RoBs to State PWD Divisions based on the request of the Company due to no income generated to meet the maintenance expenditure of the nine RoBs. This showed an indicator as required by AS- 28 for impairment of Assets. Further, as per AS 26 an intangible asset should be derecognized when no future economic benefits are expected from its use. Since there is no estimated future cash flow in the form of toll collection from the intangible assets as on 31 March 2019, these intangible assets should have been derecognized as per the provisions of AS 26 and AS 28. The non-compliance of the provisions of the Accounting Standards resulted in understatement of loss by ₹ 3.95 crore with corresponding overstatement of intangible assets.

B. COMMENTS ON FINANCIAL POSITION

Balance Sheet as on 31 March 2019

B. Assets

I. Noncurrent Assets-

- iii. Capital work in progress ₹(56,23,742)

3. This includes interest on mobilization advance for an amount of ₹ 1.17 crore recoverable from the Contractor for the construction of Office cum Commercial Complex during the year 2014. The Company suspended the work due to objection from various parties. Eventhough the Company claimed and debited the interest on mobilization advance to contractor's account as receivable, the contractor neither admitted nor paid the same for the suspended period of the work. As such, provision should have been made for the interest on mobilization advance for an amount of ₹ 1.17 crore. This has resulted in understatement in Capital Work in Progress with corresponding overstatement in Current Assets by ₹ 1.17 crore.

C. COMMENTS ON DISCLOSURE

4. The bank deposits with more than twelve months maturity period included in the cash and cash equivalent have not disclosed separately.
