INVITATION FOR QUOTATION (IFQ) FOR THE DISPOSAL OF ROCK DEPOSITED IN THE SITE PREMISES/ YARD IN CONNECTION WITH CONSTRUCTION OF KANJIRAPPALLY BYPASS IN KOTTAYAM DISTRICT

- 1) Bidders are requested to quote rates in the price schedule (BOQ) only. Please do not quote / mention rates anywhere else in the tender other than BOQ. The price should be quoted per cubic meter in rupees only.
- 2) Duly filled and signed quotation should be send by post so as to receive in this office before the time mentioned in the quotation notice. Conditional/In complete bids shall not be considered.
- 3) The validity of contract will be for a period of Six months from the date of signing of contract.
- 4) Earnest Money deposit Rs 500000/-, drawn in favour of Roads and Bridges Development Corporation of Kerala Ltd. The E.M.D of the unsuccessful tenderers will be returned to them only after the completion of tender process.
- 5) If the successful bidder declines to accept the quotation, the company reserves the right to either award the contract to the next highest bidder or cancel the tender process altogether. In such cases, the contractor's Earnest Money Deposit (EMD) will be forfeited as a penalty.
- 6) Contractor has to deposit an amount equivalent to 20% of the contract price as security deposit within 7 days after the issue of Letter of Acceptance, which will be returned on completion of contract period.
- 7) The payment equivalent to the cost of 5000 m³ of rock should be done in advance, before lifting every 5000 m³ of the material. No amount will be adjusted from security deposit or EMD.
- 8) Applicable GST should be borne by the contractor as per rules. Statutory deductions will be made as per rules.
- 9) Removal of Rock to outside the premises of site/yard should be done with all necessary documents like Geology permit/ transit pass. Contractor is liable to remit the prevailing

duties and levies like GST, applicable royalty, permit fees etc in addition to the quoted rate in the tender.

- 10) The volume of each truck will be measured by company-authorized personnel for billing purposes. Only pre-measured vehicles will be permitted for loading.
- 11) The rock deposited within the ROW should be cleared regularly to keep the site free of hindrances for construction.
- 12) If the contractor fails to start the work within 5 days after signing the agreement, the contract will be automatically stand cancelled. In such cases all costs and damages will be recovered from security deposit.
- 13) The contractor should arrange his own JCB/earth moving machinery for loading purpose.
- 14) Equipment or vehicle provided by the contractor for this use must have valid documents like Registration certificate, Fitness certificate, Tax receipt, Insurance, Pollution certificate and all other documents as required.
- 15) Contractor should cover the truck adequately to prevent spillage and dust pollution and should adhere to all laws of Motor vehicle Department, Road safety and Pollution control board.
- 16) RBDCK should not be held responsible for interruption of work due to non-availability of rock or any other reasons beyond the control of RBDCK.
- 17) Due to any technical problem or process change, if the availability of rock is disrupted; RBDCK will not make any compensation to the contractor.
- 18) The contractor has to take prior permission from the company duty engineer for his employees for entering in to the premises for any activities in connection with the contract work. The contractor is directed to execute all the works under the direction of RBDCK site engineers.
- 19) RBDCK is not responsible for any expenses incurred during the transportation of rock from the site or yard.
- 20) The quantity indicated in bid is approximate, it may vary.
- 21) The contractor has no right to transfer or sublet the contract to anybody in any circumstances without the written consent of the company.
- 22) It is the sole responsibility of the contractor to address all labour related disputes or claims that may arise during collection and removal of rock within or outside the site.

- 23) If the contractor fails to carry out the work in accordance with the terms and conditions of the work order, the company reserves the right to cancel the contract, make alternate arrangements, and recover any losses incurred from the contractor
- 24) The contractor should indemnify the company from all expenses/costs/claims/damages arising during the removal/ transportation of the material from site.
- 25) The company does not bind itself to accept the highest or any tender and may accept the whole or part of the tender and company has sole right to accept or cancel this tender. The company also reserves its right to accept or reject any tender without assigning any reason whatsoever.
- 26) General Manager's decision shall be final and binding in respect of any disputes or doubts arising out of this contract.
