INDEPENDENT AUDITOR'S REPORT

The Members of ROADS AND BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED Kochi

Opinion

We have audited the accompanying standalone financial statements of ROADS AND BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED, which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss Account, Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by The Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the company as at 31st March 2023, its loss, and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to the following:

i. Reference is drawn to note no. 13, Trade Receivables include Rs. 2.01 Crores receivable from Indian Railways which is outstanding for more than three years. The company has not made any provision for the said amount, for which no confirmation could be obtained from the party.

Our opinion is not modified in respect of the above matter.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Other information in connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and

prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements,
 whether due to fraud or error, design and perform audit procedures responsive to
 those risks, and obtain audit evidence that is sufficient and appropriate to provide a
 basis for our opinion. The risk of not detecting a material misstatement resulting
 from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal control relevant to the audit in order to design
 audit procedures that are appropriate in the circumstances. Under section 143(3)(i)
 of the Companies Act, 2013, we are also responsible for expressing our opinion on
 whether the company has an adequate internal financial controls system in place
 and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by section 143(3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, Statement of Profit and Loss and the Statement of Cash Flows dealt with by this Report are in agreement with the books of accounts.

ANNEXURE (B) REFERRED TO IN PARAGRAPH 2 (f) OF INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF ROADS AND BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED ON THE FINANCIAL STATEMENTS OF THE COMPANY FOR THE YEAR ENDED 31ST MARCH, 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of Roads And Bridges Development Corporation Of Kerala Limitedas of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Chartered Accountants www.jvr-cas.com

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, the frequency and coverage of the Internal Audit functions offer scope for improvement.

NOTES ON FINANCIAL STATEMENTS

Background

Roads and Bridges Development Corporation of Kerala Limited (RBDCK Ltd.) is a corporation established and owned by the Government of Kerala and has been incorporated as a limited company under the Companies Act 1956 on 23rd September 1999. RBDCK Ltd mainly deals with the properties and assets comprising movables and immovables including land, road projects, railway overbridge projects, toll collection rights and works under construction.

RBDCK Ltd. is a company under the Public Works Department of Government of Kerala.

A SIGNIFICANT ACCOUNTING POLICIES:

The significant Accounting Policies followed by the company are as stated below:

a. (i) Basis of Accounting

The financial statements are prepared under historical cost convention and generally on accrual basis, as a going concern and in accordance with the Generally Accepted Accounting Principles (GAAP). The statements comply with the mandatory Accounting Standards referred to in section 133 and other applicable provisions of the Companies Act, 2013.

Arrears on account of pay revision/DA of employees/ officers are accounted only on approval of revised pay scales by the Government.

a. (ii) Use of Estimates

The preparation of Financial Statements in conformity with the Indian Generally Accepted Accounting Principles (GAAP) requires the management to make certain estimates and assumptions that affect the reported amounts in the Financial Statements and Notes thereto. Actual figures may differ from these estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

b. Revenue Recognition

(i) Project Management Fees

Project Management Fee is generally recognised on Proportionate Completion method based on Progressive billing in the case of projects funded by KIIFB/Government/Other agencies as per applicable Government orders/MOU/Agreement. In respect of ROB's not covered by MOU/Agreement, Project Management Service income claimed from Railways is accounted on actual receipt only, as in the absence of contractual obligation, there is uncertainity regarding its receipt.

(ii) User fee

Company collects user fee through Annual contracts awarded to contractors selected on the basis of competitive bidding process. Toll collection through contract is accounted on pro-rata basis. Where for any reason user fee cannot be collected, income in such cases has not been recognised.

(iii) Right of way fees.

Amounts received from utility providers for using the right of way of infrastructure facilities under the control of the company as one time payment are credited to the profit and loss account of the year of receipt in compliance of AS-9.

(iv) Interest received

Interest on deposits are accounted at the rate agreed at the time of deposit on pro-rata basis.

c. Property, Plant & Equipment

Property, Plant & Equipment are stated at historical cost less accumulated depreciation/amortisation. Cost includes purchase price and other non refundable taxes, levies, costs directly attributable to bring the asset to its present working condition for intended use.

Subsequent expenditure relating to Property, Plant & Equipment are capitalised only when it is probable that future economic benefits associated with them will flow to the company and the cost of the expenditure can be measured reliably. Repairs and maintenance costs are recognised in the Statement of Profit and Loss when they are incurred.

d. Depreciation:

Depreciation on Property, Plant & Equipment has been provided on written down value method. The useful lives adopted are as prescribed in Schedule II of the Companies Act, 2013. Depreciation for assets purchased/sold during the period is proportionately charged. Depreciation methods, useful lives and residual values are reviewed periodically.

The management estimates the useful life of the assets as follows:

Computer and Accessories	3 years
Electrical Fittings	10 years
Batteries	10 years
Inverter	10 years
Mobile Phone	5 years
UPS	3 years
Television	10 years
Other Plant & Machinery	15 years
Furniture and Fittings	10 years
Motor Cycle	10 years
Car	8 years

e. Employee Benefits

- a) Short term employee benefits such as salaries, wages, bonus and incentives which fall due within 12 months of the period in which the employee renders the related services which entitles him to avail such benefits are recognised on an undiscounted basis and charged to the Profit and Loss Account.
- b) Defined Contribution Plans Contributions made to the recognised Provident Fund is expensed to the Profit and Loss Account. The Company's obligation is limited to the amount contributed by it.
- c) Defined Benefit Plans Gratuity Liability is a defined benefit obligation and provided for on the basis of an Acturial Valuation on Method calculated at the end of each financial year. Acturial gains/losses are immediately taken to Profit and Loss Account.

f. Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight line basis.

g. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

h. Taxes on income

Current tax is determined based on the amount of tax payable in respect of taxable income, if any, for the year. Deferred tax is recognized on timing differences; being the difference between the taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years. Deferred tax assets and liabilities have been computed on the timing differences applying the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date. The net DTA of ₹ 2765.56 lakhs as at the end of the year represented by unabsorbed depreciation, has not been recognised in the absence of virtual certainty about future profits.

i. Intangible Assets and Amortisation

The Company has executed Direct Toll Concession Agreement (DTCA) with Kerala Road Fund Board and Public Works Department, Government of Kerala, in respect of thirtynine ROBs, a river bridge and a road project. As per the DTCA, the Company has acquired right to collect user fee (toll) for a period of 15 years from the date of its execution/completion of construction. In view of the above, cost of assets for which DTCA was executed has been treated as Intangible Assets as per Accounting Standard 26 on 'Intangible Assets' issued by the Institute of Chartered Accountants of India (ICAI). In respect of agreements executed prior to 2009, the DTCA is effective from the date of execution and not from the date of completion of work. Cost of land and other direct expenses attributable to each project has been capitalised under respective intangible asset under development. 50% of applicable indirect expenses being staff cost and related expenses during construction period are capitalised to intangible assets in the proportion of net direct cost. All Projects commenced till the last disbursement of loans are considered as applicable project for the purpose of capitalisation of borrowing cost. Share of cost receivable from railways, assistance received from Govt if any and interest and Miscellaneous receipts are deducted in arriving at Net Direct Cost. Assistance from government to a group of Intangible assets under development are apportioned on the basis of year end direct cost of such assets. In terms of Accounting Standard 26, the cost of intangible assets has been amortized over a period of 15 years from the date of DTCA or date of actual completion of the asset whichever is later, being the tenure of concession as per the DTCA.

j. Segment Reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the management, in deciding how to allocate resources and assessing performance.

The Company has identified business segments as its primary segment. Business segments are primarily Construction service and Project Management Services. Revenues and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reportable segment have been allocated on the basis of associated revenues of the segment and manpower efforts. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses. Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable.

k. Impairment:

All Property, Plant & Equipment and Intangible assets are assessed for any indication of impairment at the end of each financial year. On such evaluation, the impairment (being the excess of carrying value over the recoverable value of the asset), if any, would be charged to the Statement of Profit and Loss.

Construction of ROBs under cost sharing with Railways are prioritized and taken up by the government mainly based on public interest. These ROB works are entrusted with the company and government allows the company to collect toll under DTCA. As the projects are taken up in public interest, the economic viability of the projects under DTCA may not be positive. Subsequent to completion of projects, collection of toll had to be abandoned in certain ROBs due to public protest. In such instances the viability gap was funded by the government / local authority. In respect of all the projects, government vide GO –(Rt)No.1715/2009/PWD dated 28/11/09 has affirmed that it will fund the viability gap. On this basis management is of opinion that the intangible assets of the company represented by the cost of construction of ROBs does not suffer from impairment on account of short fall in future revenue earning capacity as compared to the amount to be amortised. As there is no tool to estimate future revenues from toll collection, deficiency if any on this account cannot be ascertained reasonably.

1. Provisions, Contingent Liabilities & Contingent Assets

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

Share of cost on Road Overbridges receivable from Railways

Construction of Road overbridges at 19 locations are covered by MOU between Government of Kerala and Railways, construction of all of which are completed and hence 100% share of cost of Railways has been recognised as receivable (₹ 444.75 Lakhs (PY ₹ 444.75 Lakhs)). In respect of 20 ROBs which are not covered by MOU, 50% of the difference between estimated cost or actual cost whichever is lower of approach portion and estimated cost of Railway portion as per approved norms of Railways has been recognised as receivable (-₹ 244.23 Lakhs (PY -₹ 244.23 Lakhs)).

As per MOU dated 2/3/2016 with Cochin Corporation, RBDCK stoped userfee collection from ROB at Ponnurunni and in turn the corporation agreed to pay an amount of Rs 12.74 crores in four equal yearly installments along with 9.5% interest. Based on the request of the corporation, the Government vide letter No.PWD-D2/144/2017-PWD dated 2/12/2019, waived the payment of interest by the corporation and hence no interest has been accounted.

The Government waived the accumulated interest on KRFB loan during the year 2021-22. The company had credited the entire interest amount to the Profit & Loss account instead of crediting the capitalised portion of interest to the respective intangible asset (Palakkad Town ROB). During the year, the said interest amount of ₹ 52.86 lakhs has been written off from the cost of Intangible Asset based on the comment of the CAG.

The company received income tax refund of $\stackrel{\checkmark}{\epsilon}$ 15 lakhs and recovered doubtful debts of $\stackrel{\checkmark}{\epsilon}$ 2.48 lakhs against which provision was accounted during earlier years. The provision corresponding to these items were reversed on receipt of the amount.

NOTE 23:

a) Contingent Liabilities Not Provided For

- i) In the case of land acquisition made on behalf of the Government for the construction of road over bridges, landowners have filed petitions in courts for enhanced compensation and amount of such claims cannot be quantified, as the Revenue authorities have not intimated the details. Further all LAR claims from the year 2012 onwards are being met directly by government on the basis of GO No.24404 H2/2012/PWD dated 26.11.2012. Hence company is not exepecting any liability in this regard in future.
- ii) Interest claimed by bond holders on delayed payment of annual interest and redemption amount under dispute amounts to ₹ 276.98 lakhs.
- iii) The Income Tax Authorities have raised demands to the tune of ₹ 415.19 lakhs in respect of assessment year 2011-12 against which the company has filed appeals. It is expected to get favourable orders and hence no provision has been made in the accounts, for the same.
- iv) The Service tax department issued demand notice for an amount of ₹ 11.58 lakhs and the company deposited the amount under protest. The appeal filed by the company before the appellate tribunal is still pending for disposal.

NOTE 24

- i) Balances of Trade payables, Trade receivables, Current liabilities, Sundry debtors, Sundry creditors, other current assets, Loans and Advances are subject to confirmation/reconciliation.
- ii) In the opinion of the Management, the current assets and loans & advances shown in the Balance Sheet are fully realizable in the ordinary course of business.
- iii) The company has expended ₹ 430.12 crores for developing the intangible assets of the company and received ₹ 80.81 crores from Government/Government agencies and ₹ 106.99 crores from Railways, which were deducted from the cost of the respective assets to arrive at the net cost which is shown as Intangible Assets. The present policy of Government is to construct all infrastructure projects under Government funding without collecting toll, no further DTCA is expected to be executed in future and hence all current projects are treated as funded projects.
- iv) The company completed construction of a flyover at Palarivattom under KRFB funding, during the year 2016. Some defects were noticed on the flyover during defect liability period and the Government, vide GO(MS)52/2019/PWD dated 25/10/19 ordered to rehabilitate the bridge by M/S DMRC and RBDCK to recover the cost from RDS Projects Ltd, the original contractor. Accordingly, RBDCK has filed petition before the commercial court, Ernakulam for recovery of ₹ 24.07 crores being the cost reported by DMRC which is pending.

OFFICE OF THE PRINCIPAL ACCOUNTANT GENERAL (AUDIT-II) KERALA, THIRUVANANTHAPURAM

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF ROADS AND BRIDGES DEVELOPMENT CORPORATION OF KERALA LIMITED FOR THE YEAR ENDED 31 MARCH 2023.

The preparation of financial statements of Roads and Bridges Development Corporation of Kerala Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The statutory auditors appointed by the Comptroller and Auditor General of India under Section 139 (5) of the Act are responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143 (10) of the Act. This is stated to have been done by them *vide* their Audit Report dated 18 October 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of Roads and Bridges Development Corporation of Kerala Limited for the year ended 31 March 2023 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and Company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.

For and on behalf of The Comptroller and Auditor General of India
