INVITATION FOR QUOTATION (IFQ)

Total Station Survey and Verification of Boundary/Pillar Locations

1. Quotations are invited for carrying out a site survey using a Total Station/any other advanced instruments in connection with the Construction of Flyover at South Bazar, Kannur.

2. Scope of work:

a. Conduct a detailed site survey at project locations .

b. Verify and plot existing boundary pillar positions and boundary lines with reference to the approved Land Acquisition (LA) plan, approved drawings, available survey records and documents supplied by RBDCK.

c. Record apparent discrepancies between available records and site conditions. The surveyor shall not independently alter, shift or relocate any boundary pillar.

e. Submit a brief survey report describing methodology, observations and discrepancies, supported by photographs where necessary.

f. Coordinate with RBDCK officials and other authorised representatives during the site inspection.

3. Eligibility: Individuals or firms with proven experience in land surveying and suitable Total Station equipment may submit quotations along with profile, proof of relevant experience, identification details and the completed quotation form.

4. Completion period: The work shall be completed within 2 days from commencement/instructions by RBDCK, unless otherwise directed in writing.

5. The quoted amount shall include survey personnel, Total Station and related equipment, transport, fieldwork, preparation of drawings/reports, printing and incidental expenses. GST, if applicable, shall be shown separately.

6. Payment shall be made after satisfactory completion and acceptance of the work by RBDCK, on submission of the bill and required deliverables, subject to applicable rules.

8. RBDCK is not bound to accept the lowest or any quotation and reserves the right to reject any or all quotations.

9. Quotations shall be submitted by hand/email as specified in the quotation notice on or before the stipulated date and time at RBDCK Kannur office.
